

Dental Care without Compromise

NEWS

from Collins House

The adventures of the Tooth Fairy

Leanne, our resident Tooth Fairy, has visited a number of local nurseries and children's centres this year, with the help of some friends, to promote key oral health messages and educate children and their families about the importance of a healthy diet and regular visits to the dentist.

We make the sessions as educational and fun as we can by dressing up, playing tooth related games, and giving out goody bags.

The sessions have been extremely well received by all in attendance, and we hope to make a continued difference to the oral health of local children.

Snowdon Scafell Ben Nevis 3 Peaks Denplan 2016

Three Peaks Challenge

As some of you may be aware, Mark Doyle recently completed the Three Peaks Challenge. After months of preparation and training, he successfully scaled the dizzying heights of Ben Nevis, Scafell Pike, and Snowdon, all within 24 hours. We are all so proud of him.

Mark raised an astounding £1305.40 for the Make a Wish Foundation and we would like to thank all of you who supported Mark and donated to this extremely worthwhile cause.

New patients

We are in a position to accept a limited number of new Denplan patients. The biggest compliment you can pay us is to recommend our practice to your friends and family. If you know someone who needs a caring friendly dentist, please let us know and we will happily offer them an initial consultation.

We listened

We continually ask you, our valued patients, for feedback on how we are doing and we take on board every comment we receive.

We will be installing air conditioning units in the waiting room and the basement surgery. We appreciate that in such an old (and beautiful) building there are temperature extremes throughout the year and want to ensure that your visit to Collins House, whether it be in sweltering August or chilly January, is as comfortable as possible. The works will begin in February 2017.

Tiny new arrivals

We would like to congratulate our lovely hygienist Elena on the safe arrival of her beautiful little boy, and the newest (and youngest) team member at Collins House, Daniel Alexander.

We will soon be saying a temporary goodbye to Leanne as she embarks on motherhood in 2017. We can't wait to meet our next tiny new arrival!

Spotlight on staff

Mark Sykes has now completed his MSc in Advanced Minimum Intervention Dentistry and graduated in December. Mark has worked tirelessly over the past 3 years and during this time has gained a highly sought after scholarship, and completed a clinical trial, all whilst still caring for his patients.

We owe Mark Doyle his second round of applause in this newsletter for recently obtaining his Postgraduate Certificate in Medical Education and a Level 7 Certificate in Coaching & Mentoring. Mark has been focusing on the teaching and mentoring aspect of dentistry for some time now and this adds yet another string to his burgeoning bow - it is a testament to his passion for continuing personal development.

Opening times

Monday	08.30 to 17.00
Tuesday	08.30 to 19.00
Wednesday	08.30 to 17.00
Thursday	08.30 to 17.00
Friday	08.30 to 17.00
Saturday	by appointment
